Cleaning & Safety	

- Prior to Re-open we will undertake a deep clean of the entire property
- Sanitize stations provided throughout the property
- Dividers provided for patron and employee safety
- Cleaning will be ongoing with increased frequency
- High traffic areas and high touch areas to be disinfected constantly throughout the business day
- Signage outside facilities, at entrances, on the floor, bathrooms and other patron areas
- Floor markers will identify and reinforce physical distancing guidelines in strategic areas
- F&B service on the floor will be modified to comply with physical distancing guidelines
- Establish criteria and appropriate methods for employees to be informed on what to do in various circumstances related to COVID-19
- Site employees will actively observe the patron traffic throughout the site and engage with patrons not adhering to distancing principles
- Physical distancing will be applied to the layout of the floor
- Masks mandatory for staff and patrons
- Property will be sanitized fogging on a regular basis
- Daily staff declarations of health submitted
